

**DR. BABASAHEB AMBEDKAR MARATHWADA UNIVERSITY,
CHHATRAPATI SAMBHAJINAGAR [M.S.] INDIA.**

ORDER OF AMENDED ORDINANCES FOR P.G. COURSE'S /01/ 2024.

WHEREAS the ordinances of pertaining to Admission criteria for all Post Graduate Courses as per Maharashtra Public University Act 2016.

AND

WHEREAS taking in to account of the above provisions, the Department Committee as amended the ordinances to admission criteria for all post graduate courses as mentioned in the Ordinances i.e. 483, 489, 490, 495, 625, 709, 848, 849, 850, 851, 852, 853, 854, 855, 981, 982, 778, 779, 356, 831, 664, 665, 666, 774, 775, 473, 891, 892, 773, 740, 442, 958, 505 of the affiliated colleges, university departments & sub campus.

AND

WHEREAS the said ordinances is yet to be considered by the academic council, management council and thereafter to obtain assent of the Hon'ble Chancellor, it will take quite some time.

AND

WHEREAS at present there are no meetings are arranged of academic council and management council. Hence it is urgency to take necessary steps to implement the new ordinances as recommended by the Departmental Committee.

AND

THEREFORE, I, PROF. (DR.) VIJAY FULARI, VICE-CHANCELLOR of Dr. Babasaheb Ambedkar Marathwada University, in exercise the powers conferred on me as per the provisions of section-12 [7] & 12 [8] of Maharashtra Public Universities Act, 2016 and directs that, the **amended above ordinances relating to Admission Criteria for all Post Graduate Courses shall be given immediate effect as appended with the ordinances.**

AND

THESE, directives be given immediate effect and shall be operative till such time and date as the amended ordinances is to be assented to by the Hon'ble Chancellor.

University Campus,
Chhatrapati Sambhajanagar-431 004.

Graduate Courses show as Faculty wise-**

“AMENDED ORDINANCES”

Faculty of Science & Technology

Sr No	Name of Courses/ subjects	Ord. Nos.	Eligibility
1	1) Physics 2) Zoology 3) Microbiology	Ord. 483	<p>1) Candidate shall be admitted to the First Year Course of Master's Degree in the Faculty of Science & Technology upon successfully completing a B.Sc. degree from this university or any university recognized as equivalent thereto. The subject in which they seek admission at M.Sc. level must have been one of their optional subjects at the Bachelor's degree level OR B.Sc. with honors in respective subject.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
2	Electronics	Ord. 483	<p>1) Candidate shall be admitted to the First Year Course of Master's Degree in the Faculty of Science & Technology upon successfully completing a B.Sc. degree from this university or any university recognized as equivalent thereto. The subject in which they seek admission at M.Sc. level must have been one of their optional subjects at the Bachelor's degree level OR B.Sc. with honors in respective subject.</p>

			<p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
3	Botany	Ord. 483	<p>1) Candidate shall be admitted to the First Year Course of Master's Degree in the Faculty of Science & Technology upon successfully completing a B.Sc. degree from this university or any university recognized as equivalent thereto. The subject in which they seek admission at M.Sc. level must have been one of their optional subjects at the Bachelor's degree level OR B.Sc. with honors in respective subject.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p> <p>3) The students of B.Sc. [Agriculture] be considered eligible for admission to M.Sc. [Botany] and that out of intake only two seats be reserved for such admission. (Ord. 483 (1))</p>
4	1) Chemistry 2) Analytical Chemistry 3) Bio-Chemistry	Ord. 489	<p>1) A candidate's choice of subject for the M.Sc. Course shall be restricted to one of the subjects offered at the Bachelor's Degree Examination. Provided that a candidate who has passed Bachelor's Degree Examination with Chemistry, Bio-Chemistry, Industrial Chemistry, Analytical Chemistry, Agro Chemical and fertilizers shall be eligible for admission to M.Sc. in either Chemistry, Bio-Chemistry, Industrial Chemistry, Analytical Chemistry, Agro-Chemicals and Fertilizers respectively.</p> <p style="text-align: center;">OR</p>

			<p>2) B.Sc. Forensic Science students are also eligible for Analytical Chemistry. The weightage of 1% Marks will be given to the candidates who have offered Bio- as one of the optional subjects at B.Sc. level for seeking admission to M.Sc. Bio-Chemistry.</p> <p style="text-align: center;">And</p> <p>3) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
5	Forensic Science	Ord. 489	<p>1) A Candidate shall be admitted to the First Year (Semester-I) Course for the Master's Degree in the Faculty of Science provided that he / she passed the B.Sc. degree examination of this University or any other University recognized as equivalent thereto.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
6	Statistics	Ord. 489	<p>1) Those who have completed B.Sc. with Mathematics OR Statistics OR Applied Mathematics shall be held eligible for admission to M.Sc. in Statistics, but the priority will be given to the student having Statistics subject at UG Degree level.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks</p>

cf

			secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)
7	Environmental Science	Ord. 489	<p>1) Those who have completed B.Sc. with Environmental Science, Botany, Zoology, Physics, Chemistry, Microbiology, Biochemistry, Bio-Technology, Earth Science etc., B.E. (Bachelor of Engineering) and B.Sc. Agriculture subjects and Forensic Science, shall be held eligible for the admission to M.Sc. in Environmental Science.</p> <p>The weightage of 1% will be given to the candidates who offered Environmental Science as one of the optional subject at the B.Sc. level for seeking the admission to the M.Sc. Environmental Science.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
8	Bio-Technology	Ord. 489	<p>1) Graduates with B.Sc. Bio-Technology or Science Graduates with either of Bio-Chemistry/ Botany/ Zoology/ Env. Science/ Horticulture/ Bio-Physics/ Dairy Science/ Bio-Informatics/ Life Sciences/ Microbiology/ Bio-Technology as one of the Optional subjects. B.Sc. (Agriculture) are eligible.</p> <p style="text-align: center;">OR</p> <p>B. Pharmacy graduates shall also be held eligible for admission to M.Sc. (Bio-Technology) Course. However students with / Botany/ Zoology/ Env. Science/ Horticulture/ Bio-Physics/ Dairy Science/B.Sc. (Agriculture) OR B. Pharmacy have to complete an additional orientation course organized by the department.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by</p>

			the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)
9	Mathematics	Ord. 490	<p>1) A candidate who has passed the B. A./ B. Sc. Examination of this or any other statutory university recognized as equivalent thereto with Mathematics as one of the subject offered at final year of graduation (B. A./ B. Sc.) may be allowed to seek admission to M.Sc. Mathematics course as a regular candidate.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
10	Computer Science	Ord. 625	<p>1) (a)A candidate shall be admitted to the First Year (Semester-I)for the M.Sc. [Computer Science] in the Faculty of Science & Technology provided that he / she passed Computer Science as one of the Optional subjects at B.Sc. level B.E. / B.Tech in computer science and Engineering /IT OR (b) B.Sc. Hardware and networking or multimedia with mathematics as one of the subject at HSC level (12th standard) OR (c) Any science graduate with at least one optional subject as computer science/Any Other Bachelor's Degree in Computer Science of this University or any Other University recognized as equivalent thereto.In case of vacancies not filled due to non-availability of students with above mentioned criteria, the students with B.Sc. Physics/ Electronics/ Mathematics as one of the Optional subjects may also be considered for the admission. as per mention in Circular No. Acad/ NP/ Comp. Sci./30/2002 dated 30-07-2002.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective</p>

			optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)
11	Information Technology	Ord. 707	<p>1) A candidate who has qualified with any one of the following Degree of this University or any other University equivalent thereto shall be admitted to the First Year of M.Sc. [Information Technology] Courses in the Faculty of Science & Technology B.Sc. Computer Science OR B.Sc. Information Technology OR B.Sc. Computer Application OR B.E./B.Tech in computer science engineering /IT. OR ii) Any science Graduate with at least one optional subject as Computer Science or Any Science Graduate with Mathematics as one of the subject at HSC level(XII standard).</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
12	Artificial Intelligence	Ord. 707	<p>1) B.Sc. Computer Science OR B.Sc. Information Technology OR B.Sc. Computer Application OR B.E./B.Tech. in Computer Science and Engineering/IT, Electronics and Telecommunication Engineering, Mechatronics, Data Science, Artificial Intelligence, Mechanical Engineering OR B.Voc. (IT) B.Voc.(Automation) OR B.Sc. Hardware and networking with mathematics at HSC (12th standard) OR B.Sc. Automation with mathematics at HSC (12th standard) OR any Science graduate with at least one optional subject as computer science.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant</p>

			optional subject during final year of the degree program.)
13	Nano Technology	Ord. 848, 849, 850, 851, 852, 853, 854, 855	<p>1) Candidate with bachelor's degree in any of science, engineering technology or pharmacy shall be held eligible for admission to the M.Sc. First Year (Semester-I) in Nanotechnology and specialization emerging here after. with mathematics as one of the subject at least till H.S.C. i.e. 12th standard shall be held eligible for admission to M.Sc. in Nanotechnology.</p> <p>2) Candidate with B.Sc./ B.E./ B.Tech./ B.Pharm./ degree examination of this university or any other university as equivalent there to with minimum 50% marks (45% for reserved category) shall be eligible for admission to M.Sc. Nanotechnology. However, National eligibility test qualified candidates for M.Sc. and meritorious candidates would be given preference at the time of admission. Provided further that if the marks secured by the candidate at the bachelor's degree examination in the subject (s) of eligibility are equal, preference shall be given to that candidate who has offered the same optional at the bachelor's degree examination in which he is seeking admission at M.Sc.</p> <p>3) A candidate who has passed the bachelor's degree in the faculty of science , Engineering, Pharmacy or Technology subjects may be allowed to seek admission to the M.Sc. (Nanotechnology) course provided that he fulfill other conditions laid down in 0.848.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
14	Conservation of Biodiversity	Ord. 483	<p>1) Candidate who have completed Bachelor's Degree [10+2+3/4] of Science, Engineering, Agriculture and any other equivalent degree of statutory University are eligible.</p> <p style="text-align: center;">And</p>

			<p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
15	Rural Technology	Ord. 483	<p>1) Candidate who have completed Bachelor's Degree [10+2+3/4] of Science, Engineering, Agriculture and any other equivalent degree of statutory University are eligible.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
16	Food Technology	Ord. 483	<p>1) Candidate who have completed B.E./ B.Tech. in Chemical Engineering/ Bio-Technology, B.Voc. B. Tech. (Agri. Engg.) B. Tech. (Food Science & Tech.), B.E. (Mech. Engg.), B.Sc. Agriculture, Horticulture, Dairy Science & Technology, B.E./ B.Tech. (Food Processing Tech.), B.Sc. (Food & Nutrition), B.Sc. (Food Sci. & Quality Control) etc are eligible.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
17	Drug & Intermediate Technology	Ord. 483	<p>1) Admission Criteria- B.Sc. (Chemistry)/B. Pharmacy/ B. Tech. and B.E. (with specialization in Pharmaceutical and Fine Chemicals / Chemical Engineering) with minimum</p>

			<p>55% marks.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
18	Printing & Packaging Technology	Ord. 483	<p>1) Candidates who have completed B.Voc. (Printing Technology)/ B. Sc. (Printing Technology)/ BE (Printing Technology)/ B Tech (Printing Technology) /Any Graduate Degree from recognized University are eligible.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
19	Industrial Automation	Ord. 981, 982	<p>1) Those who have completed B.Voc. (Industrial Automation)/B.Sc. (Physics/ Electronics/ Computer Science)/B.E. or B.Tech (Electronics/ Electronics and Telecommunication / Instrumentation/ Electrical/ Mechanical/ Mechatronics/ Industrial Automation) from any recognized University/Institution are eligible for registration/admission.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant</p>

			optional subject during final year of the degree program.)
20	Automobile	Ord. 981, 982	<p>1) Candidates who have completed B.Voc. (Automobile)/B.Sc. (Automobile)/B.E. or B.Tech (Automobile/ Mechanical/Production) from any recognized University/Institution are eligible for registration/admission.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p>
21	P.G. Diploma in Molecular Biology and Pathology of Viruses	Ord. 483	1) Candidates who have completed B. Sc. (Life Science stream)/ B. Pharmacy/ B.V.Sc. /MBBS/ Agricultural Sciences are eligible for admission.
22	P.G. Diploma in Cosmetic Technology	Ord. 483	1) Candidates who have completed M.Tech. (Pharma) / M.Tech. (Oil)/ M.Tech. (Perfumery)/ M.Tech. (Food)/M.Sc. Organic Chemistry/B.Tech. (Cosmetic Technology)/ B.Tech. (Pharma)/B. Tech. (Oil)/ B. Tech. (Food)/ B. Pharma/ B. Tech. (Chemical)/ B.Sc. in Life Sciences and Equivalent Course in any other Graduation are eligible.
23	P.G. Diploma in Food Safety and Quality	Ord. 483	1) Candidates who have completed M.Sc. Food Science and Nutrition/ Food Science and Technology/ Biotechnology/ Biochemistry/ Microbiology/ Agriculture/ Horticulture/ Post Harvest Technology or M.Tech. in Food Technology with minimum of 55% marks or B.Sc. with 55% marks in any area of life science including Agriculture/ Horticulture/ Post Harvest Technology/ B.Tech./ B.E. in Food Technology/ Food Processing Technology/ Agril. Process Engineering/ Chemical Technology/ Chemical Engineering/ B. Pharmacy/ B.Voc. in relevant subjects.

Faculty of Commerce & Management

Master of Commerce [02 year course]

Sr No	Name of Courses / subjects	Ord.N os.	Eligibility
1	Commerce	Ord. 495	<p>1)A Candidate shall be admitted to the First Year (Semester-I) Course for the Master's degree in the Faculty of Commerce provided that he / she has passed the Bachelor's Degree examination in the Faculty of Commerce & Management of this University or any other University recognized as equivalent thereto with compulsory English as one of the passing subjects. The condition of passing the bachelor's degree examination with compulsory English shall not apply to a candidate migrating from the jurisdiction of a University in the State of Maharashtra if he seeks admission to a post-graduate Course of this University.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant subject during final year of the degree program.)</p>
2	1) Master of Business Administration (International Business) M.B.A. (I.B.)	Ord. 778 & 779	<p>1) A Candidate who have completed bachelor's degree of any faculty of this university or any other university recognized as equivalent to a degree of this university in any faculty shall be eligible for MBA (IB) course</p> <p>2)A candidate who have BBA passed Bachelor Degree Examination of this University or from any other University or any other course equivalent thereto shall be eligible to take admission to the first semester M.B.A (I.B)</p> <p style="text-align: center;">And</p> <p>3) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective</p>

			optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant subject during final year of the degree program.)
3	Master of Tourism & Travel Management (M.T.T.M.)	Ord. 664, 665 & 666	<p>1) A Candidate who have completed bachelor's degree of any faculty of this university or any other university recognized as equivalent to a degree of this university in any faculty shall be eligible for MTTM course.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant subject during final year of the degree program.)</p>
4	Water & Land Management (M.M.S.)	Ord. 774 & 775	<p>1) The Name of the Course shall be "Master Of Management Science (Water and Land Management)</p> <p>A candidate seeking admission to M.M.S. (Water & Land Management), should have passed the Bachelor Degree Examination in any Faculty of this University or any other recognized university.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments. It will be based on the marks secured in the CET and the marks secured in the respective optional subject during the third or final year of their degree course (50% weightage will be given to the CET marks and the remaining 50% to the marks obtained in the relevant optional subject during final year of the degree program.)</p> <p style="text-align: center;">OR if applicable</p> <p>3) Merit list of PG admission Course should be prepared by the authority of university department on the basis of students who have secured marks in CET examination only.</p>

Faculty of Humanities

Master of Arts[02 year course]

Sr No	Name of Courses / subjects	Ord. Nos.	Eligibility
a	1) Marathi 2) Hindi 3) English 4) Urdu 5) Sanskrit	Ord. 473	<p>1)First Preference- A candidate shall be admitted to the first year (Semester-I) Course for the Master's degree in the Faculty of Arts or social Science as the case may be provided he satisfies the following conditions.</p> <p>Candidate must have passed the Bachelor's Degree examination in the concerned Faculty of this University or an Examination of other University recognized as equivalent thereto. However, the candidate seeking admission in a subject at his Bachelor's Degree level. * Other subject student's will have to complete bridge course of one semester duration which is mandatory.</p> <p>Notwithstanding anything contained in the foregoing para:-</p> <p>A candidate who has passed the Bachelor's degree Examination in any Faculty in Compulsory Language/ second Language shall be eligible for admission to the M.A. Course in the respective language.</p> <p>Second Preference- any UG Degree holder from any faculty can get admission by completing Concern subjects' 6 months short term course or bridge Course or fundamental course in the department.</p> <p style="text-align: center;">And</p> <p>2) A common Entrance Test (CET) will be conducted by the respective department of the University (The schedule and other details of CET will be declared separately.) The merit list for admission to postgraduate course will be prepared by the university departments.
